

CURRENT STANDING COMMITTEE OPENINGS

The City Council of the Town of Los Altos Hills invites applications from interested residents to serve on the newly formed Environmental Initiatives Committee. The Committee is charged with assisting the City Council in defining and implementing strategic energy conservation goals for the Town. Applications are also being accepted for the following Standing Committees: Environmental Design and Protection (3 vacancies) and Finance and Investment (3 vacancies). For information about individual Standing Committees please refer to the Committee WebPages found under the "City Government" menu on the home page. Applications can be obtained from the website, at Town Hall's Temporary Offices located at 25890 Fremont Road or by contacting the City Clerk at 941-7222 extension 226.
